Kiosk Sponsorship

SUPPORTING AGRICULTURAL EDUCATION

At Kimmel, education is our primary focus. We share a partnership with the University of Nebraska Lincoln which brings internships and advances in the agricultural field in many ways.

HISTORIC PRESERVATION

Over 96 years, we have been dedicated to preserving the richness of the land. It is vitally important to learn from where we have been and how we can protect what matters most in our future.

WHOLESOME FAMILY EXPERIENCE

It's so simple to show how much you appreciate what the Orchard does in the community, for people of all ages, and the land on which they call home or for which they have fond memories.

WHY SHOULD MY COMPANY SPONSOR?

Kimmel Orchard & Vineyard Education Foundation Inc. is a 501(c)(3) non-profit that depends on the generosity of donors to fund the programs that support our mission of preserving the land, history, and culture of the Southeastern Nebraska Region. There are many ways you can help. Kimmel kiosks are just one!
